

The Garrett Park Conservation Trust

The Garrett Park Conservation Trust's mission is to preserve open space in the Town of Garrett Park and to promote conservation values throughout the community and elsewhere. One approach to preserving open space is through promotion of conservation easements, usually held by a land trust or governmental entity. The Trust was established in 2002 for the purpose of accepting, monitoring and enforcing such easements.

The GPC Trust qualifies as a charitable organization, tax-exempt under section 501(c)(3) of the Internal Revenue Code. Thus it is able to accept tax deductible donations. To make a donation (and thereby become a member), please send check payable to Garrett Park Conservation Trust to: GPC Trust, Box 258, Garrett Park MD 20896.
